INTERNET ACCESS AGREEMENT

Dear Parents or Caregivers,

Below is a permission form that will hold valid for the duration of your child’s schooling here at Rasmussen State School.

If at any time you wish to withdraw your permission you will need to put it in writing.

While every precaution has been taken to bar unsuitable material we can take no responsibility for the student’s choice of information. A Student Access Agreement will be explained to students annually and from year 4 signed by students, but only after parent permission has been given.

Yours in Education,

Claudine Moncur - White
Principal

PARENT OR GUARDIAN

I understand that the internet can provide students with valuable learning experiences. I also understand that it gives access to information on computers around the world; that the school cannot control what is on those computers; and that a very small part of that information can be illegal, dangerous or offensive.

I accept that, while teachers will always exercise their duty of care, protection against exposure to harmful information should depend finally upon responsible use by students.

- I will not use the Internet to annoy or offend anyone else

I understand that if the school decides I have broken these rules, appropriate action will be taken. This may include loss of my Internet access for some time.
